Welcome to the SEARCH - The Health Sciences Library which is one of the central support services of Manipal University, Manipal. The state of the art library stretching over 1.5 lakh square feet, on six floors is a domain for information seekers; be it students, faculty or researchers. The library has been carefully planned to have more space and natural lighting for the comfort of the users. The library is fully air-conditioned. It has the capacity to accommodate 1300 students at a time. The library has all the facilities for the students to learn. The Health Sciences Library is committed to provide a world-class information support to its users. The mission of the Health Sciences Library is to provide information services and access to bibliographic and full text digital and printed resources to support the scholarly and informational needs of Health Sciences Community.

The Health Sciences Library micro site will provide electronic access to various full text and bibliographical databases. The Health Sciences Library is well equipped with modern facilities and resources in the form of CD-ROM, Online Databases, online journals, e-Learning, Video Cassettes, Books, Journals, Back Volumes of Journals, Theses and WHO Publications.

We hope you find this virtual access useful and we also invite you to visit the Health Sciences Library in order to enjoy the wealth of printed resources and digital resources available in the library.
