**Sub:** User Awareness/Information Literacy program on UpToDate - Clinical Information Resource

Mr. Faizan Ahmad, Market Manager-India, Wolters Kluwer Health-UpToDate, Gurgaon, Haryana, India will be in Manipal on 22<sup>nd</sup> January 2013 to conduct an user awareness/information literacy program on the following online resource subscribed by the KMC Health Science Library, MU, Manipal

#### ➤ UpToDate – Clinical Information Resource

**UpToDate** is an evidence-based, physician-authored clinical information resource. It is one of the most widely used clinical information resources in the world. It provides continuously updated, evidence-based information, an intuitive user interface and powerful features that enable physicians to make diagnoses, create plans and share information quickly and efficiently. UpToDate is used in over 145 countries and in thousands of hospitals throughout North and South America, Europe, Asia, Africa and Australia. UpToDate's topic reviews are authored and edited by a faculty that includes specialists from around the world. It provides over 9,500 topics across 19 specialities, making it one of the most comprehensive medical resources available.

The venue and timings of the user awareness/information literacy program are as follows:

**Date:** 22.1.2013 (Tuesday)

**Time:** 11.30am to 12.30pm, 2.00pm to 3.00pm and 3.30pm to 4.30pm (In 3 sessions)

**Venue:** Audio Visual Room, 4<sup>th</sup> Floor (Right Wing), KMC Health Sciences Library

Those faculty members and postgraduate and undergraduate students who are interested hereby requested to attend any one of the above said user awareness/information literacy program sessions as per their convenience.
