

ClinicalKey® Student

Welcome to ClinicalKey Student – A trusted learning and Teaching platform

You now have access to ClinicalKey Student in your campus follow these steps to access.

Open : <https://www.clinicalkey.com/student> on any browser

The screenshot displays the ClinicalKey Student web application. At the top left, the logo "ClinicalKey® Student" is visible. To the right of the logo are two icons: a circular refresh icon and a user profile icon. Below the logo is a horizontal navigation menu with the following items: "Home" (underlined), "Assignments", "Performance", "Browse", "Bookshelf", and "Presentations". The main content area features a search bar with a dropdown menu set to "All Types" and the placeholder text "Search books, images, and videos". A blue search button with a magnifying glass icon is positioned to the right of the search bar. Below the search bar, the name "Vikram Sudhakar" is displayed. The section is titled "Activities Overview". A card below this title shows a calendar icon and the text "You have 0 assignments due.". Below this card is a section titled "Where to Focus" with a yellow circular icon. At the bottom of the page, the word "Anatomy" is visible in a blue font.

Assignments

Assigned by you (questions you rescheduled to take)

Here you'll find incorrect questions you've assigned to yourself to retake at a later time.

You have not assigned any incorrect questions to yourself.

Create a Test >

The Bookshelf gives you the ability to highlight text, create flashcards, and share content with others.

Bookshelf

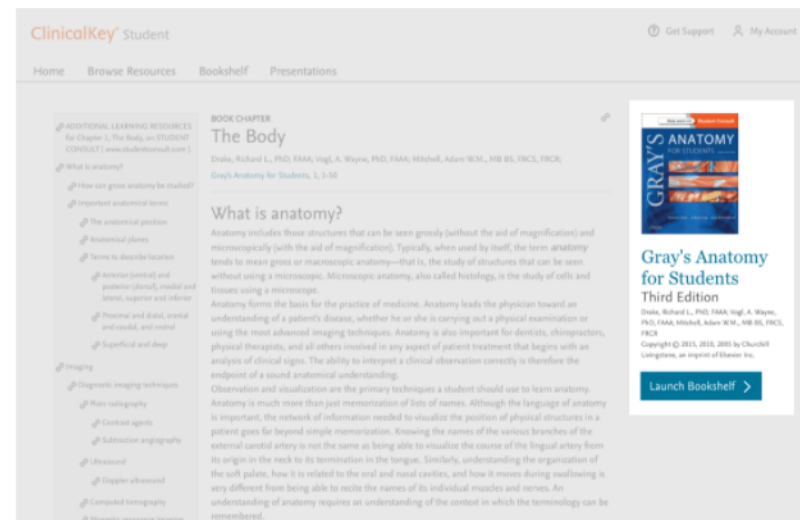

Launch Bookshelf >

What is the Bookshelf?

The Bookshelf gives you the ability to highlight text, create flashcards, and share content with others.

How do I add to my Bookshelf?

1. Search for books on the [Home](#) page or the [Browse](#) page.
2. Click on the book chapter and then click the "Launch Bookshelf" button.
3. The book will immediately appear in the Bookshelf application.

ClinicalKey® Student

The bookshelf also helps you to listen to the audio of the book, you can also create assignments using bookshelf

The screenshot displays the ClinicalKey Student interface. At the top, the browser address bar shows the URL: clinicalkeymeded.elsevier.com/#/books/9780323353175/cfi/6/2!4/6@0.00:6.46. On the left, a vertical sidebar contains navigation options: Account, Devices, Language (with a US flag icon), Tools, Sharing, Highlighters, Apps Menu, Help, Support, Privacy, and CA Notice of Collection. Below these options is a graphic of a laptop, tablet, and smartphone. The main content area features the book cover for 'Robbins BASIC', with 'Robbins' in orange and 'BASIC' in white on a dark background. A notification bubble in the bottom right corner of the book cover reads: 'We've updated our read aloud feature! Give it a try here.' At the bottom of the interface, there is a control bar with a 'cover' button, a bookmark icon, a volume icon, and other navigation icons.
