Sub: Training session on CINAHL Plus with Full Text - comprehensive nursing and allied health research database

Mr. D. T. Edwin, Training Specialist – South India, EBSCO Information Services India Pvt. Ltd. will be in KMC Health Sciences Library, MU, Manipal on 9th February 2013 to conduct an **Training Session** on the following online resource subscribed by the Health Science Library.

- **CINAHL Plus with Full Text** - is the world's most comprehensive nursing and allied health research database, providing full text for more than 770 journals indexed in CINAHL®. The database also provides full text for more than 275 books/monographs. With full-text coverage dating back to 1937, CINAHL Plus with Full Text is the research tool for all areas of nursing and allied health literature. It also provides indexing for more than 4,600 journals from the fields of nursing and allied health. The database contains more than 2.8 million records dating back to 1981. Offering coverage of nursing journals and publications from the National League for Nursing and the American Nurses' Association, CINAHL covers nursing, biomedicine, alternative/complementary medicine and 17 allied health disciplines. In addition, this database offers access to health care books, nursing dissertations, selected conference proceedings, standards of practice, audiovisuals and book chapters.

Agenda:

- To present all the features of the **CINAHL Plus with Full Text** platform.
- There will be plenty of opportunities to ask questions to the CINAHL Training Specialist regarding any aspects of the platform
