KMC Mangalore - Central Library

OpenAthens (SSO - Single Sign-on) - Remote Access to e-Resources

What is OpenAthens?

- OpenAthens – Single Sign-on (SSO) to enable the users of the library to access all the subscribed e-resources (online databases, online journal and e-books etc.) remotely (using their office 365 - learner.manipal.edu/manipal.edu login credentials)
- Integrated with Microsoft office which avoids accessing of the e-resources by unauthorised users.
- OpenAthens creates a single sign on experience that is independent of any specific IP range
- User could also access full-text of the subscribed e-resources through the respective publishers' website as OpenAthens user name and password permits the access - Single Sign-on. Providing users with access to many different systems through a single set of login details.
