

# Steps of Web OPAC

Follow the Steps below to access Web- OPAC:

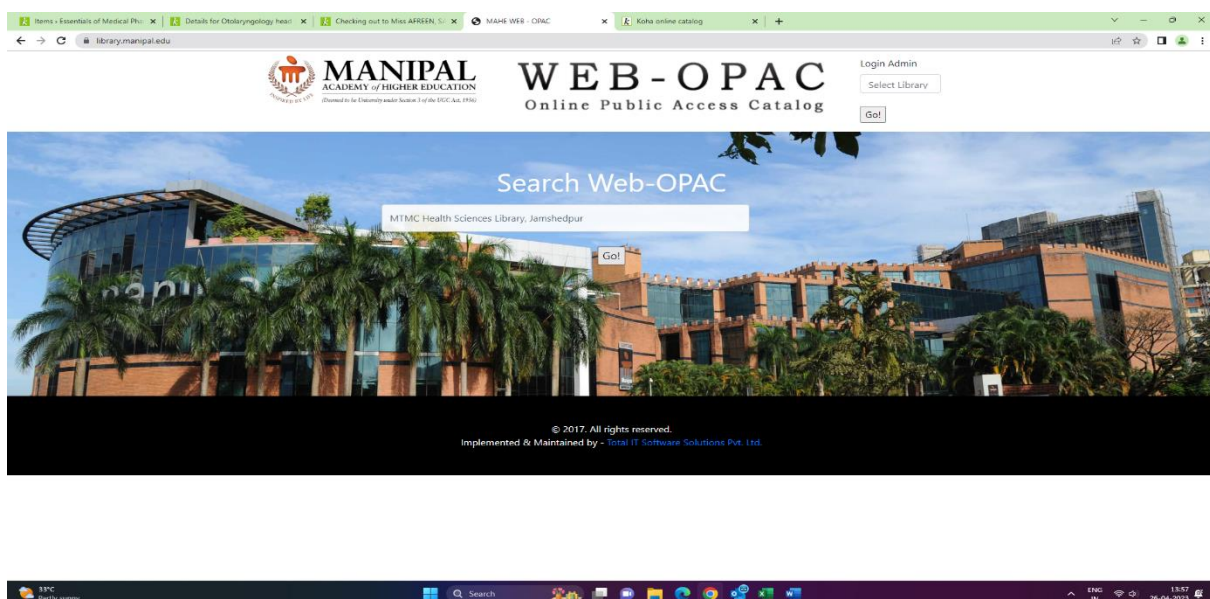

## Step 1:

With internet connectivity type library.manipal.edu in Google Chrome

## Step 2:

Search in Web OPAC and select Library then press “GO”.

## Step 3:

Select option filter by item type choose “Books” and search.

The screenshot shows the Web Opac interface. At the top, there is a search bar with a dropdown menu set to "Library catalog" and a "filter by item type" dropdown. The search results page displays "Your search returned 56042 results." The first result is "Our India" by Singh Bahmani Prasad, published in 2011. The interface includes a sidebar for refining search results and a main content area with pagination and sorting options.

## Step 4:

Select library catalogue choose “titles” and type subject then search.

The screenshot shows the Web Opac interface with the search bar set to "Titles" and the search term "Anatomy". The search results page displays "Your search returned 1942 results." The first result is "Clinical Anatomy: A Revision and Applied Anatomy for Clinical Students" by Ellis Harold, 9th Edition, published in 1997. The interface includes a sidebar for refining search results and a main content area with pagination and sorting options.
