MANIPAL UNIVERSITY

SEVENTH SEMESTER B. ARCH. DEGREE EXAMINATION – MAY 2016

SUBJECT: ARC 403 – INTERIOR DESIGN AND DETAILING (2010 SCHEME) /
ARC 404 – BUILDING CONSTRUCTION VII (2007 SCHEME)

Friday, May 27, 2016

Time: 10:00 – 14:00 Hrs.

Max. Marks: 50

- ✍ Answer any ONE FULL question.
- ✍ Suggest appropriate interior design scheme and provide complete plan, sections, elevations, details and supportive drawings.
- ✍ Any missing data as found appropriate may be suitable assumed and stated.
- ✍ Provide the drawings to a suitable scale.

1. Your client has a 7 year old son. He wishes to have a room designed for his son with adequate and separate spaces for playing and sleeping and for other activities as well. Provide an interior design scheme for the same by providing a specific theme and concept. Also illustrate the possible activities with the help of sketches. Space measurements are 4.5m × 6m and clear height is 3.5m. The drawing requirements are as follows:

- 1A. Concept or theme with sketches
- 1B. Detailed furniture plan
- 1C. Flooring plan
- 1D. Two sectional elevations
- 1E. Any one detail of your choice

(10+12+12+12+4 = 50 marks)

2. A 30 year old working professional wants to have a spacious living room in his mansion. Provide an interior design scheme for the same. Space dimensions are 7m × 5.5m. The clear height is 3.5m. The space is centrally air conditioned. The drawing requirements are as follows:

- 2A. Concept or Theme with sketches
- 2B. Detailed Furniture plan
- 2C. Reflected ceiling plan with lighting fixtures
- 2D. Two sectional elevations
- 2E. Any one detail of your choice (flooring, ceiling or furniture)

(10+12+12+12+4 = 50 marks)
